Everybody On 

HP TouchSmart 310-1200ad Desktop PC

HP recommends Windows® 7.

- **Step into a world of touch**

The latest evolution of HP's TouchSmart software makes it easier to be entertained, get creative, and have fun. Enjoy Award winning multi-touch technology which makes it easier than ever to personalize and access your digital content.

- **Your digital world at your fingertips**

The modern all-in-one design of the new Touchsmart 310 keeps your world clutter free: just plug it in and you're ready to go. Simply touch the screen to surf the Internet, watch movies, play a song, flip through photos, and more.

- **An extraordinary family PC**

A stunning 20" diagonal widescreen display becomes the best canvas in the house for all kinds of family activities. Get the performance you're expecting with proven AMD technology, while built-in webcam and microphone make video chat a snap.

- **A better way to get organized and entertained**

Turn your desktop into a personal canvas where you can create and catalog your digital world. Do more with a PC that combines HP's award winning multi touch experience with Windows 7 functionality.

Step into the world of touch with the HP TouchSmart310. The new sleek, modern design and HP's next generation of powerful built-for-touch applications makes the HP TouchSmart310 computing experience more intuitive, personal, and fun.
